

Edition #80 • September 2021

World Café **Our Hopes and Fears for the Future of Service Provision**

We have personally adapted to change again and again throughout the pandemic. Additionally, we have found ourselves in our professional roles retooling and refitting services and supports repeatedly throughout. Come to the World Café to discuss your hopes and fears for the future of service and support provision...and share what you have learned about accommodating constant change.

World Café Session One

Frontline Initiative: The Changing Roles of the DSP

Nov 28, 2018 | Frontline Initiative, Guides

[This issue](#) highlights public policies that can support the changing role of DSPs, and ways they support brighter futures. It focuses on the successes of self-advocates, DSPs, and others who have taken and are taking action to improve quality of life for those they support through implementing person-centered practices and advocating for needed change.

Giving Artists With Disabilities a Space to Thrive

Since 1974 the [Creative Growth Art Center](#) has served hundreds of artists with developmental

Since 1974, the [Creative Growth Art Center](#) has served hundreds of artists with developmental, mental and physical disabilities who lacked formal education in the arts.

Guidelines for using 1st person in writing a person centered plan

There are [three circumstances](#) when using first person makes sense and a general rule about not using first person.
